

### synthroid

theremidi\_orchestra\_polyphonic\_synth  
matrix for PCB etching

colour:

100% CMYK black

### Bill of materials:

9x9cm photoresist PCB

BASE: 1% solution of NaOH

ACID: CuSO<sub>4</sub>

sandpaper / granulation: 100

nail polish remover

### Technical requirements:

UV light

4x plastic basins

oxigen pump

wooden clippers
